DREAM A LITTLE DREAM

THE STORY OF THE DAY

Now is exactly the time to take the vacation of your dreams. We just love Legends Resort Moorea. This unbelievably beautiful resort sits on 17 acres of absolutely stunning views of the Pacific Ocean or lush tropical gardens. Talk about really getting away from it all! The private, gated resort is running all kinds of special offers, like seven nights in a private villa for the price of five.

You can find a two bedroom villa \$525.00 (the regular cost is \$1000). You're given a free boat shuttle to a private island with a beautiful beach. Is there anyone who doesn't want to one day travel to French Polynesia? The only thing better than the perfect beaches here is not having to share them crowds. Plus the 42 villas all have a private Jacuzzi over looking the lagoon.

Staying at a beautiful luxury hotel and having a chance to give back. What could be better? The Ritz-Carlton in Cancun offers a program where guests can team up with volunteers to help Mayan communities in need. Give Back Getaways volunteers help with painting, gardening and restoration projects and offer a chance to make a real difference in someone's life while still enjoying an amazing beach vacation.

One of the worst things about lugging bags through an airport is trying to negotiate check-in counters or a even a cup of coffee while the shoulder straps from your carry-on slip down to your elbow or fall off your arm. StrapDiva attaches to the straps of a carry-on or purse and promises that it will never slip off your arm
