**EVERYONE ALWAYS ASKS ME...**

What Simon Cowell is really like. But now people are finally starting to know me from things other than *American Idol*.

**SECRET WEAPON WHEN TRAVELING...**

I'm a big vitamin taker and take probiotics to keep me healthy. I also put a thin layer of Vaseline in my nose before I get on a plane to block infections.

**VEGAS IS...**

Maybe the only place left where you can see someone at 6 in the morning in a sequined gown and not look twice. I just love it!

**FAVORITE PLACE TO GO IN TOWN...**

Still has to be Tao. I don't think I've ever had a bad meal there.

**THE FIRST TIME I EVER VISITED...**

Was when I came to be on *Ed McMahon's Next Big Star* show when I was 17. Once again, always the bridesmaid! I came in second. First prize was a PT Cruiser, and I really wanted it!

**FAVORITE CHARITY...**

Feeding America and its program to ensure that children have access to meals. I'm on their entertainment council and get to meet a lot of the kids.
